

Johnson Controls Privacy Notice

ADDENDUM for USA-Connecticut: Social Security Number Protection Policy Statement

Johnson Controls collects Social Security numbers and other sensitive personal information in the ordinary course of its business. Johnson Controls has implemented reasonable technical, physical and administrative safeguards to help protect the Social Security numbers and other sensitive personal information from unlawful use and unauthorized disclosure. All Johnson Control associates and contractors are required to follow these established procedures, both online and offline.

Access to Social Security numbers is limited to those employees and contractors who have a need to access the information to perform tasks for Johnson Control. Social Security numbers are only disclosed to third parties in accordance with our established privacy policy. Johnson Control will only disclose Social Security numbers to those service providers, auditors, advisors, and/or successors-in-interest who are legally or contractually obligated to protect them or as required or permitted by law.
