Integrated Security

External Threats:

1. ARMED ROBBERY & EMPLOYEE SAFETY IN PARKING LOTS

Weapons are used in nearly 42% of all robberies

2. BURGLARY

It is estimated that each minute, 4 burglaries occur

3. COPPER THEFT

55% of copper theft claims occur on commercial properties

4. LOITERING - DETERS CUSTOMERS

Loitering may deter customers and creates an uncomfortable environment for employees

5. VANDALISM

Graffiti is the most common type of property vandalism, accounting for 35% of offenses

6. PREMISE LIABILITY

More than 1 million people in the U.S. alone experience a significant slip, trip, or fall each year

7. PROPERTY CRIME

More than 1 in 10 property crimes occur in parking lots or garages

Internal Threats:

8. INVENTORY LOSS

75% of employees steal from the workplace

9. ACCESS TO SENSITIVE DATA OR HAZARDOUS MATERIAL

More than 562.9 million security breaches have exploited sensitive personal information

10. WORKPLACE VIOLENCE

Nearly 2 million workers report having been victims of workplace violence each year

Management Concerns:

11. EMPLOYEE PRODUCTIVITY

The lost productivity of actively disengaged employees costs the U.S. economy \$370 billion annually

12. CUSTOMER SERVICE

Improves when employees know they are being supervised

13. VISITOR MANAGEMENT

4 out of 10 businesses are unable to monitor who enters and exits their building
