

# K-12 Education Video Surveillance Solutions

The right surveillance in all the right spots

From classrooms to playing fields to parking lots, Johnson Controls integrated systems put the right cameras, smart digital video recorders and network video recorders in all the right places. We help protect you against intruders, identity theft, vandalism, and other dangerous incidents on school grounds.

We can install new video surveillance systems; upgrade existing CCTV cameras; or add the latest security capabilities like remote smart phone and tablet viewing.

Johnson Controls guarantees you worry-free layout, installation, testing, maintenance and dedicated service.

## **Our integrated video systems protect, yet make complex systems easier for you to manage:**

- Video cameras and monitors
- Perimeter protection
