

Americas (North America & LATAM) Invoice Submission Information

Last Updated: December 3, 2025

Please send all invoices or credit documents issued to **Johnson Controls entities in Americas (LATAM + North America)** to one of the following email addresses (based on the Business). If you are unsure of the Business to which you should send your invoice/credit document, please refer to your JCI-issued Purchase Order, or contact your JCI Business Contact/Buyer.

Submission of PDF invoices to one of the below email addresses is the preferred submission method and best way to ensure on-time payments. Please do not mail paper invoices unless necessary or required by your local country regulations.

Note: Sending multiple copies of the same invoice will result in duplicated invoices, and delays in processing and payment. The below scanning email addresses are not monitored by a human, and thus no response will be provided. Please refer to the [Invoice Requirements and Sample Invoice](#) in our website to ensure you submit your invoice in the correct format to avoid delays in processing and payment.
